THE COMPUTER PROTECTORS.

Keep everything you want in.

Static and dust, the biggest enemies of the home computer. Fortunately there are now Targus computer bags.

Thanks to the protectastat, specially treated material, these unique bags give your computer total anti-static and dust protection. Only Targus can do this.

COMPLETE PROTECTION

And that's not all. Beneath the hard wearing nylon outer, is a high-density, impact-proof, foam padding and a thermal lining to stop the build up of condensation.

It's also fire-retardant and once sealed with the heavy-duty nylon zips, rain-proof as well.

A PLACE FOR EVERYTHING

There's also a handy compartment for your programmes, joy-sticks, cables, leads, accessories and manuals; so it's ideal for neat home storage, as well as transportation between home and work or school.

FITS ANY COMPUTER

These sturdy, attractive bags are black with a red trim and come in 3 sizes, fitting any model. Just check the list to see which bag you need.

And everything you don't, out.
